

Widescreen entertainment

The ViewSonic N1900w HD ready LCD TV with a native 16:10 widescreen display, brings large entertainment to small spaces. Watch your favourite TV show or movie in your kitchen, your bedroom, on your countertop or anywhere else you can imagine. The integrated TV tuner and numerous analogue and digital video inputs offer wide prospects for connecting DVD players, games consoles or set-top boxes. Thanks to the advanced screen technology and fast ClearMotiv™ video electronics, the N1900w brings images to life with crisp and vibrant colours. Built-in stereo speakers and the wall-mount capability gives extra flexibility. Get your individual widescreen theatre experience.

**19" WIDESCREEN
HD READY LCD TV
WITH DIGITAL HDCP VIDEO INPUT**

MULTIMEDIA WIDESCREEN

> HD ready experience widescreen entertainment

Enjoy a 16:10 widescreen theatre experience and high-definition picture quality with this display's widescreen aspect ratio, HDTV capability¹, and wide XtremeView® viewing angles.

> Advanced image processing

Integrated progressive scan and 3D comb filter give you a larger, clearer picture with fewer artefacts.

> OptiSync® technology

Add versatility to your LCD TV with support for digital video input (HDCP enabled) plus SCART, composite and PC connectivity.

> Built-in TV tuner plus plug-and-play connections add versatility

Easily connect TV and video entertainment devices such as DVD players, game consoles, VCRs and camcorders.

> Stunning TV, vivid graphics, sharp text

Ultra-high brightness of 300 cd/m² (typ.) and an extremely high contrast ratio of up to 500:1 (typ.) bring you rich, saturated colour images and crisp text.

> Clear, fast-paced presentations

Fast 5ms video response time and a native resolution of 1440 x 900 pixels keeps your presentations and video crisp and clear.

> Stereo audio built-in

Enjoy full stereo sound on your desktop or counter with the integrated 5 watt sound system.
